Today Carolyn from the PTO called as a follow-up to yesterday's phone conversation. She said that she had the file with her, and the Response to the Restriction Requirement dated November 20, 2002 was not in the file.

She stated that I should send a copy of both the Response and dated postcard to her at 703-308-4407. Her phone number is 703-308-0197.
